Message From the Relieving Principal

Dear parents

Our value for the week this week was pride in your work and doing your personal best.

The children have been practising hard for the Turner Cup in their lunch and recess breaks when it is not too hot. It is great to see the junior boys involved. They are developing excellent fielding skills. Everyone has been working very hard in class too. In maths the seniors have been concentrating on problem solving and learning our multiplication tables.

This week Ann Hartigan came and shared her cooking skills with the children once again. All the children prepared rice paper rolls and most of them enjoyed eating them.

The seniors harvested a cabbage, parsley and spring onions from our vegetable garden. Oliver's report on the food preparation follows:

Method:
1. We chopped all the cabbage up with the spring onion, garlic, onion, parsley and ginger.
2. We cooked it in the fry pan for about 10 minutes.
3. We added the carrot to the noodles and stirred it all up.
4. Then we got a wet tea towel and put the roll on it. We wet the roll gently.
5. Soon it was all sticky then we put the mixture in it.
6. Next we rolled it up. If we wanted to we dipped it in sweet chilli sauce.
7. It tasted really good!

Cheryl Baxter, Itinerant Teacher Hearing, came to visit the K-2 children this week to talk about how to help themselves with ear aches and blocked noses and what can happen if your sinuses become infected.

The staff and children of The Risk and Rukenvale Schools are having an informal get together next Tuesday at lunchtime. We are gathering to acknowledge Darcy's involvement in our schools as he is on extended leave. We will have a sausage sizzle followed by games between the schools.

Anne Goss
Ruth Flower - science experiments

Congratulations to the following students this week:-
Riley Dunn for great work with reading and maths
Marley Graham for excellent sportsmanship

Term 4 at a glance

Monday 10th November - KEEP
Tuesday 11th November - BBQ for Darcy
Monday 17th November - Lake Ainsworth
Tuesday 18th November - K-4 excursion to The House with No Steps
Saturday 22nd November - Street Stall at Kyogle Farmer’s Market
Monday 24th November - Intensive Swimming starts
Monday 24th November - P&C meeting
Wednesday 26th November - Social
Monday 24th November - Kinder Orientation
Wednesday 3rd December - Kyogle High School Year 6 to Year 7 Orientation Day
Monday 8th December - KEEP

Just a reminder to mark Saturday 22nd Nov in your diary. We are holding our street stall and need your support. A roster will be sent home next week. Christmas Hamper items can be left in the front office. Looking forward to your support.
