Message From the Relieving Principal

Dear parents,

Finally a quiet week. Children are currently working on speeches for the Interspeak competition which will be held in Week 10 at Barkervale. Some of them are very entertaining. The whole school will be able to attend as there is a K-2 Activity Day on at the same venue. We will be taking a bus which the school is subsidising.

We are holding a belated Bookweek parade on the Tuesday of the final week when children can dress as their favourite book character.

Also in the final week three children are involved in the Premier’s Spelling Bee. The first round will be held at Wyrallah Rd School. We hope they do well.

Abby Sawford will be representing our school at the Billy Cart Derby COLOURSS stall in Kyogle on Sunday. Thank you Abby!

Ann Hartigan has been helping us with the vegetable garden—we currently have potatoes, snow peas, carrots and cabbages planted, which should be producing next term. Thank you so much Ann for your time and energy!

Ms Jones will be on leave for the next two weeks, and will be replaced by two of our regulars Abby Sawford and David Hausen.
