From the Principal

Dear parents

Our students farewelled Yuna yesterday as she returns to Japan shortly. Yuna enjoyed the small school experience and was supported by all the students at Rukenvale PS school who made her feel very welcomed.

Last week Oliver participated in the first KEEP (Kyogle Engagement and Enrichment Program) day at Kyogle High School and thoroughly enjoyed the day participating in many Physical Education activities. He mixed with students in years 5 and 6 from other small schools and worked with staff at the high school.

Tuckshop

We had a very successful first tuckshop today and the students were very excited about today. The senior students did an excellent job serving and showed great skills in adding and subtracting money. Thank you to all parents who contributed a wide variety of sweet and savoury and fruit snacks. A very enjoyable experience was had by all.

Professional Learning

Today I am at a COLOURSS / CLASS professional learning course Y3-6 looking at the new Mathematics Syllabus with teachers from other small schools. It will be an opportunity to work collaboratively with other teachers and share resources. Next week Ms Sawford will complete the PL with teachers K—Year 2.

School Performance Show

On Tuesday, 10th March our students will have the opportunity to join with other small schools to enjoy a show at Barkers Vale. We will have lunch and a play at Barkers Vale prior to the show. There will be a note today regarding this event. Please complete and return as soon as possible.

Kind regards
Kerry Flick

Congratulations to the following students this week:-

Gypsy Howie for excellence in writing and spelling
